

# DO YOU HAVE A SMALL FARM OR SEMI-RURAL BLOCK?

## Want to know more about:

- ✓ **Managing and caring for livestock**
- ✓ **Flood, fire and drought preparedness**
- ✓ **Farm Biosecurity planning**
- ✓ **Improving soil health, pasture and grazing management**
- ✓ **Identifying and managing priority weeds and pest animals**
- ✓ **Managing valuable native vegetation and waterways**
- ✓ **Attending workshop with likeminded landholders and building community**

## EVERY BIT COUNTS

The Every Bit Counts project recognises all small farms and lifestyle blocks (2 to 20ha) play an important role in managing our natural resource and agricultural environments. This project will coordinate workshops, local resources and build a connected community to help all landholders manage their land better.

## SMALL LANDHOLDER NETWORK

By joining us for **FREE** you will connect to hundreds of like minded landholders trying to improve their land, livestock production and environment. Regular information will be sent out about upcoming events, funding and useful resources in your local region.

## HOW TO GET INVOLVED

Whether you are a hobby or small-scale professional farmer or own a rural lifestyle property we are keen to hear from you. Please return the Expression of Interest form on the back of this flier and become connected.

For more information contact the following District Community Engagement Officers:

**Lower Hunter** – Eva Twarkowski  
eva.twarkowski@lls.nsw.gov.au  
0437 056 978

**Upper Hunter** – Jennifer Kreusser  
jennifer.kreusser@lls.nsw.gov.au  
0427 151 092

**Manning Great Lakes** – Daniel Trudgeon  
daniel.trudgeon@lls.nsw.gov.au  
0419 436 185

Local Land Services

This project has been assisted by the New South Wales Government through its Environmental Trust

# EXPRESSION OF INTEREST FORM

By joining, you will be kept up to date about events, workshops, opportunities for funding in your local area. It is also a great opportunity to network with other small farmers and attend workshops / field days on a wide range of land management issues.
