

## Hunter Region Landcare Workshop grants 2021-2022

Thanks to the generous support of the Hunter Local Land Services, HRLN once again has funding available for a series of Field days/workshops, hosted by our Member Groups, on topics of interest to the Landcarers in their local area.

Examples include but are not limited to:

- Managing weeds
- Native plant identification
- Bush regeneration skills
- Revegetation methods
- Improving soils
- Regenerative agriculture
- Managing water in the landscape
- Native plant propagation
- Creating habitat for fauna

Note that Online and Creative ways of holding Field Days/ Sharing skills safely and effectively under Covid Restrictions are welcome.

### Eligibility

This opportunity is for members of HRLN so, if your group is not a member already, please [apply online now](#).

### Funding

If successful, your Group will receive up to \$1500 for holding the event which will improve the skills and capacity of the Landcarers in your local area. This funding allows for guest presenters, catering and other costs of hosting the workshop. *It also provides general support for expenses the group may incur* in carrying out Landcare activities or projects throughout the year. The workshop must be held before 31 May 2022.
