Bush Tucker Workshops

Come along to the first of many bush tucker workshops in the Upper Hunter. Learn more about native plants and their uses, providing an introduction to local native bush tucker, how to set up a bush tucker garden at home or for your school. Try some native fruits, berries and herbs, and enjoy a bush tucker lunch together. These workshops are provided through our Landcare NSW Working Together Aboriginal Communities Engagement Program, in partnership with Local Land Services.

Saturday 15th April

Blandford Public School
New England Highway

Saturday June (date tbc)

Singleton Community Garden
42 Bathurst Street

Saturday August (date tbc)

Merriwa Landcare Nursery
Hacketts Road
