

Property planning

Realising your holistic vision for your property and lifestyle

Join Greater Sydney Local Land Services for a 2-day workshop on property planning.

The workshops are tailored for small to medium sized farms. Grounded in best-practice for sustainable and resilient landscapes, you will be provided with practical tools and information to develop your own holistic plan.

Over two sessions, you will access:

- Guest presenters, including local farmers and Kim Deans (Reinventing Agriculture)
- LLS expertise on natural resource management, agronomy, biosecurity and Caring for Country
- Online mapping tool
- Workbook and self-assessment tool
