

# Reconnecting and Restoring Koala habitats in the Dungog area

Hunter Region Landcare Network

Dungog Common, 74 Common Rd,  
Dungog

Friday, 31st May 10am - 1pm

Register [here](#)

HRLN members free  
Non-members \$10

Join us for a morning focused on learning how and why to restore koala food trees and creating habitat linkages across farming landscapes.

This informative and collaborative session will include

- The NSW Koala Strategy
- Habitat restoration principles for your land
- Restoration assistance programs available through Hunter Local Land Services and Landcare
- Private land conservation opportunities for private landholders
- Cultural land management practices
- Walk and talk koala tree and habitat identification
- **Koala food tree giveaway**

Hear presentations from Hunter Region Landcare, Hunter Local Land Services, NSW Koala strategy, Dungog Common Land Mgmt Trust, Dungog Commoners Landcare, and the Biodiversity Conservation Trust.

Any queries, contact [Stacy lowerhunterlandcare@gmail.com](mailto:Stacy.lowerhunterlandcare@gmail.com)

## Private Land Conservation Matters

Landcare NSW and the NSW Biodiversity Conservation Trust are working together to raise awareness and support private land conservation across NSW.
